

## Adjunct Faculty Teaching & Learning Tips

Fall 2013 Week Two Newsletter

### Dates & Events

### Student Corner

During the Second Week of Class, did you submit

- Course Syllabus
- Office Hours Form
- Enter W/N Grade
- Evaluate Students and Early Warning

Can you facilitate student learning with

- Active Reading Tips?
- Facilitating Discussions
- Effective Lectures?

More in [McKeachie's Teaching Tips: Strategies, Research, and Theory for College and University Teachers.](#)

How does learning work?

How Learning Works (2010) details seven research-based principles for smart teaching. Can you apply Principle #2: **How students organize knowledge influences how they learn and apply what they know.**

To help students organize knowledge, you can use concept maps, flow chart course structure, provide lecture outlines, provide detailed examples, connect concepts, or sort concepts.

## Teaching Corner

### What is your teaching style?

Take the Grasha–Riechmann Teaching Styles Inventory at <http://www.cgu.edu/pages/8468.asp>

### Are you an expert, authority, model, or facilitator?

Explore Teaching with Style,  
Anthony F. Grasha, PhD.
