

New Faculty Teaching & Learning Tips

Spring 2014 Pre-Final Newsletter

Faculty Corner

During the last few weeks of your course, you may need to...

1. Submit the End of Term Verification Form.
2. Communicate the final exam time and location. [Consult the Spring 2014 Final Exam Schedule!](#)
3. Review for the final exam, project or presentation.
4. Provide students with a grade estimate or course standing.
5. Provide course closure or invite students on how to assess learning goals.
6. Review final and incomplete grade criteria with your program manager or the Assigning and Adding Grades Tutorial at

Student Corner

Active Knowing?

Theorist William Perry (1981) explores how college students grow intellectually and come to “know”. His nine stage model details the progression needed for comprehension. Key concepts include **Dualism**, **Multiplicity**, **Relativity**, and **Commitment**.
