Course Jumping

From anywhere in the course, you can click the Course Jump menu to jump to the same location in another course.

Example:
1. Open the Full Grade Center in Course #1
2. Click the Course Jump menu in the top left hand corner
3. Select the name of the next course you’d like to grade
4. This new course’s grade book will open

*This mechanic can be performed from any area within your course (Discussion Board, Content Area, Announcements, etc.)
