

Exploring Open E-textbooks!

Find an open E-textbook!

You may want to explore what open e-textbooks can offer. Start with...

- Textbook Revolution at http://textbookrevolution.org/index.php/Main_Page
- O'Reilly, <http://oreilly.com/openbook/>, is partnered with Creative Commons and the Internet Archive.
- Flatworld Knowledge at <http://www.flatworldknowledge.com/educators>
- Connexions, <http://cnx.org/>, is affiliated with Rice University.

Community!

Explore open e-textbooks by joining the conversation.

- Community College Open Textbook Community at <http://collegeopentextbooks.ning.com/>
- College Open Textbooks at <http://www.collegeopentextbooks.org/>
- Community College Consortium for Open Educational Resources at <http://oerconsortium.org/>

3 Places to get Free Textbooks

This short YouTube details where you can find free textbooks – <http://youtu.be/HxryAJ6N67o>

Readerless?

Download Blio, an eReading application at <https://www.blio.com/blio/screens/homepage.jsp#>

Reader NOT Needed?

Currently, the most popular e-readers include the Kindle, Touch, Book, and iPad. However, many open etextbook and OER sites provide materials that can...

- View over the Internet for free,
- Download as a PDF,
- Download as a EPUB for use on e-readers or mobile phones,
- ZIP module or content files that can be uploaded.

For your reading pleasure, Free ebooks!

The HCC Library features ebooks and audiobooks. For information on how to download, consult

<http://libguides.hccfl.edu/content.php?pid=103818&sid=1404927#4471541>

You access ebooks via the internet using:

- Bartleby.com – Great Books Online at <http://www.bartleby.com/>
- Bibliomania at <http://www.bibliomania.com/>
- Digital Book Index at <http://www.digitalbookindex.com/about.htm>
- Internet Archive at <https://archive.org/>
- The Online Books Page at <http://onlinebooks.library.upenn.edu/>

Free iBooks?

If you are actively using the iPad for classroom instruction, why not explore the interactive textbooks they offer.
