OPENS: TUESDAY, JANUARY 22ND, 2013

Location: Dale Mabry Campus - DLRC 318
Phone: (813)-259-6385
Email: stemtransfercenter@hccfl.edu
Website: www.hccfl.edu/stem

Hours of Operation:  
Monday/Tuesday 10:00am – 7:00pm
Wednesday/Thursday 8:00am – 4:30pm

Mission
The mission of the STEM Transfer Center is to increase the number of HCC students who transfer to four-year institutions in Science, Technology, Engineering, and Math (STEM) majors and to ensure the inclusion of the low-income, first-generation, and Hispanic students who successfully transfer. The STEM Transfer Center will work in partnership with HCC student services and campus administrators to identify, develop, and implement strategies, interventions, and resources that will empower HCC STEM students to achieve transfer.

Services:
● Inform students on transfer policies, requirements, procedures, financial aid, and scholarships
● Set career and transfer goals
● Degree and transfer plans
● Educate on financial aid and scholarships
● Strengthen student connections to members of the campus community (academic and social)
● Connect students with resources
● Alleviate transfer shock
● Improve transfer materials and resources
